Oceanis 58

Oceanis 58 is the best option to rent a sailboat in Ibiza

The new model offers bold solutions never before used in the range. The interior configuration is 3 double cabins and another independent for the crew. But the most surprising thing is the powerful arch that acts as a structural support for the canopy and firing point for the main boom that does not need a sheet rail, expanding the surface of the cockpit. The arch, in addition to carrying the speakers of the outdoor music system, also allows the bimini to be perfectly integrated into an ergonomic and optimal solution for each type of weather and meteorology

From the Oceanis 58 you will know the beautiful coasts of Ibiza and Formentera, it will be an unforgettable vacation
